> The awarding bodies have designated the afternoons of Thursday 8th and 15th June plus all day Wednesday 28th June 2023 as 'contingency days' for examinations.

> The designation of these days within the examination timetable is in the event of national or local disruption to examinations. It is part of the awarding bodies standard contingency planning for examinations.

> Therefore, we require all candidates who are taking examinations in the summer of 2023 to remain available until Wednesday 28th June in case the examination boards need to implement the contingency days.
