If you would like to apply for a pass, click on the attached link <https://forms.office.com/e/2VuFxCnAx2> or scan the attached QR code to take you to the application form.

Payment will be collected each half-term and is priced at £110 per half term with a 10% discount for each additional child booked onto the bus to be paid through Parentpay.

Payment plans are available for this, with the amount paid in instalments to suit your individual circumstances

This figure includes each journey to and from school as well as unlimited bus travel at any time of day (evening, weekend and school holidays (excluding Summer)) on Stagecoach buses in the Chester area. Each student will be issued with a Smartcard that will be for their use only which will need to be shown to gain access to the bus.

These will be issued from school upon application and can be collected from the school office.

If your child loses their pass during the year, they will not be allowed to get on the bus until a new pass has been issued to them by the school office. If at any point in the year you no longer need the pass, then please return it to the school office and we will arrange for your account to be closed at that point and we will you inform you of any outstanding costs that need to be made.

If you have any further queries regarding this bus then please do not hesitate to contact the school.

Yours faithfully

Mr A Kilcoyne
